Dear Parents,

The DML Curriculum consists of activities done inside and outside the classroom involving the early childhood growth and development appropriated for their specific and educational needs, social values, and identity.

The Pre - Nursery will have Reading, Math, Language, Christian Living, MAPEH, Penmanship, Computer & Chinese / Montessori Practical Life.

The Nursery will have Reading, Math, Science, Language, Christian Living, MAPEH, Penmanship, Computer & Chinese / Montessori Practical Life.

The Pre - Kinder will have Reading, Math, Science, Filipino, Language, Christian Living, MAPEH, Penmanship, Computer & Chinese/ Montessori Practical Life.

The Kindergarten will have Reading, Math, Science, Filipino, Language, Christian Living, MAPEH, Penmanship, Araling Panlipunan, Computer & Chinese / Montessori Practical Life.

Action Songs, short games and short dances are integrated within the different learning areas or in between the different subject areas.

However, since not all parents want that their children will learn the Chinese Language, therefore, the School will give the parents the freedom to decide if they want their children to take up Chinese or not. Those who don't like Chinese could take up the Montessori Practical Life as an optional subject, since our school is a Montessori School.

Please choose and check the subject that you like for your child
